# Some of the Best Skincare Products for Spring

The award for best luxury face formula award goes to...

Invest in the best this spring with one of the following five formulas from Shiseido, La Prairie, Biologique Recherche, Lancôme, and Royal Fern. Each of these elixirs and creams are packed with transformative ingredients to help hydrate and strengthen the skin and return it to a state of youthfulness. Below are a few noteworthy skincare potions that are must-haves this spring.

**5. Royal Fern Phytoactive Anti-Aging Rich Cream:** Known dermatologist based in Frankfurt, Germany, dermatologist Dr. Timm Golüeke created a uber-rich cream made with highly efficacious Vitamin A complex, a double dose of his patented Royal Fern Complex, highly concentrated Vitamin C, along with natural substances like fern extract, wild rose blossoms and more. If your skin is dehydrated and dull, this plush emulsion will bring back your complexion to life, as it will strengthen skin's elasticity for an overall improvement, and even address hyperpigmentation.
